Attempts

→ First available Channel (Email & Notifications) allocated automatically

→ Select Language

→ Create SMS Event List to limit messages (i.e. Alarm & Tamper only)

SMS Notification – How does it work ?

- Register the system in the UltraSync Portal and enable SMS Notifications under Add-on Services BETA.
- Create the Site in the UltraSync+App.
- Enable SMS notifications for the user and enter the mobile phone number. Any recipient mobile number can be entered, also a mobile number from a different phone
- Once SMS channel is created, set Language and limit events under Event List
- Header of the SMS report includes Portal Account number
- Supported by xGen, xGenConnect, NX-596E and ZeroWire
- Currently limited to 30 SMS messages per month
- Once activated for a specific panel, users will be invoiced the 30 SMS pack with the SKU **UC_SMS_M**

LEGAL NOTICE

- THIS DOCUMENT AND ITS CONTENT IS STRICTLY CONFIDENTIAL and may not be copied, disclosed or otherwise disseminated either in whole or in part without Carrier's prior written approval.
- This document does not constitute an offer to supply any products or services or a binding contract thereto, nor does it give rise to legally enforceable rights or obligations. Carrier will not be bound to make any supply of products or services unless and until Carrier and your company enter into a formal written binding contract for the same.
- This document is intended solely to facilitate discussion between the parties.
- This document only sets forth certain information disclosed for the purpose of this meeting and a description of the financial and other terms that are anticipated to be included in a proposed written agreement between the parties and shall not create a legally binding or enforceable agreement (except for the confidentiality obligation) or offer.
- You acknowledge that Carrier standard terms and conditions are also anticipated to be included in a proposed written agreement.
- All information is delivered on an "as is" basis and all representations and warranties, express or implied, are hereby disclaimed, including, without limitation, that the information is accurate or reliable for any purpose whatsoever.
